You cannot judge God by your calendar. God may appear to be slow, but he never forgets his promises. He may seem to be working very slowly or even to be forgetting his promises, but when his promises come true (and they will come true), they always burst the banks of what you imagined.

In the Christian story God comes down; down from the heights of absolute being into time and space, down into humanity; down to the very roots and seabed of the Nature He has created. But He goes down to come up again and bring the whole ruined world up with Him.
